**Subject: LAG-I-00-98-00005-00 – Task Order 13:
Subtask A: Legal, Regulatory and Electricity Market Reform.**

Dear Mr. Primm:

In accordance with the requirements of the referenced task order, enclosed you will find 2 copies of the final report prepared by PA Consulting Group entitled *Republic of Armenia Least-Cost Generation Report*.

This report describes the recommended least cost investment program for the rehabilitation and expansion of the Republic of Armenia's generation facilities for years 2001 through 2015.

I welcome your comments and questions and as always, we look forward to working with you to achieve this Task Order's important objectives.

Sincerely,

Armen Arzumanyan,
Deputy Chief-of-Party
