DO YOU HAVE ANY WORK THAT NEEDS TO BE DONE AROUND THE HOUSE?

Shorewood Intermediate School has been chosen as one of eight pilot schools nationwide to participate in Operation: Day's Work (ODW).

In a nutshell, ODW is kids helping kids.

The Frequent Fliers AFS Club has been busy preparing themselves for our first year.

On Thursday, May 6th, students presented lessons to all SIS students about the reality of Haiti and what they can do to help.

Saturday, May 15th, students will be working all over town (from Barnes & Nobles to the SHS parking lot to Estabrook Park) to raise money to help impoverished Haitian children build a better life for themselves.

Does this sound like something you may want to help out with?

Well, this is how you can get involved. Hire your participating child or neighbor to do yardwork, wash windows, walk your dog, clean your basement, etc. for a day or part of a day. We recommend \$20 for a day or \$10 for part of the day. Make your checks out to Shorewood Intermediate School-Frequent Fliers. The child's work and your contribution will go to a non-governmental non-profit agency in Haiti that will provide livestock training for Haitian youth. Any other donations are gladly accepted.
