User: Open to All

Donor: Government of Canada (GoC)

Donor Countries: Canada

Description:

Allows investors to quickly search databases for credible deals or co-investors that match their investment needs, Convergence will broaden investors' networks and simplify their screening process. Convergence aims to serve blended finances investors and practitioners, as well as those looking to enter this space. Anyone can access Convergence's Design Funding and Resources, but the Deal and Investor Databases (which constitute Convergence's Investment Network) are limited to eligible institutions. From the perspective of knowledge creation/dissemination, Convergence writes reports, case studies and organizes online webinars/seminars that are accessible to all. Convergence's Design Funding will provide funding for feasibility studies and proof of concept activities for innovative financial instruments and products, according to specific funding windows.
