The Health Systems Strengthening and Local Health Governance (HSS-II) mechanism will address several key aspects of the health system, focusing on governance, finance and direct financing to Government of Senegal (GOS) regional entities. The HSS-II mechanism will directly support the achievement of RI 3 (improved performance of the health system), and will play a key role in contributing to the achievement of RI 1 and 2. The HSS-II mechanism will work primarily at the central level and will apply broadly to all regions of Senegal. Where appropriate, the HSS-II mechanism will work in coordination with other sector programs, including education, agriculture, water, sanitation and hygiene, and democracy and governance. The IRR-II mechanism will also contribute to other key outputs in RI 2 and 3, and will collaborate with programs in other sectors, including education, agriculture, water, sanitation and hygiene, and democracy and governance. The IRR-II mechanism will work primarily at the central level and will apply broadly to all regions of Senegal. Where appropriate, the HSS-II mechanism will work in coordination with other sector programs, including education, agriculture, water, sanitation and hygiene, and democracy and governance.
