#### **A. BASIC FUNCTION OF POSITION**

This is the position of an Accounting Technician. The position is located in the Budget and Accounting Division, Office of Financial Management (OFM), USAID Mission to Senegal which includes regional operations. The position will be responsible for performing the full range of B&A Division support functions to the Clients (SO Teams, Mission and regional offices, and Other US Government Agencies). The primary purpose of this position is to: Maintain and regularly review, reconcile and balance OFMs Clients technical program accounting records for grant and loan projects and costs of administration operations; prepare necessary periodic reports based on these records; and provide information to SO, Mission, Regional offices and US Government Client management. Maintains and accounts for all Client accounting processes from the initial budgetary process through acquisition and assistance to liquidation and closure of the accounting cycle and reporting back to management on the results of the entire business cycle.

As a USAID employee, the incumbent carries responsibility to understand and incorporate the Agency's five core values in all aspects of his/her work. These core values are: 1 Customer focus, 2. Results orientation, 3. Empowerment and accountability, 4. Teamwork and participation, and 5. Valuing Diversity.

#### **B. MAJOR DUTIES AND RESPONSIBILITIES**

1. Maintains financial accounting records for programs and activities, both project and non-project. This entails performance of budgeting, accounting, record-keeping and reporting functions. Reviews project instruments and amendments to project agreements in conjunction with the Supervisory Accountant and assigned Financial Analyst. After the review is completed, records the agreement in the Phoenix Database and manual subsidiary records maintained on Excel spreadsheets. Periodically reconciles both sets of accounting records to the original documents.

2. Receives Modified Acquisition and Assistance Request Documents (MAARDs) and GLAAS requisitions. Checks MAARD and GLAAS requisitions against program agreements (e.g., LSGAs, SOAGs, Program Elements), earmarking and commitment documents, purchase orders, travel authorizations, contracts, leases and so forth, and ensures that funds are available within each budget allowance, program, and/or any limitations imposed on the allowance. Based on this review, provides funds availability certification to client units. Verifies that all transactions are properly documented and approved by a duly authorized official. Ensures that the official ROFM working project files for Grants, Cooperative Agreements, and Institutional Contracts contain copies of all project documentation and other necessary materials.

3. Meets periodically and on a quarterly basis with each technical officer, S.O. Team Leader, Client Management, Regional Officers and Embassy Personnel to review the status of each project and administrative support instrument. Assists the managers with analyzing disbursement and obligation data for each instrument, and makes recommendations to the Cognizant Technical Officer (CTO) when conducting formal quarterly 1311 reviews.

Advises the Supervisory Accountant of the results of the 1311 analysis with the CTO and makes recommendations for final Chief Accountant actions.

4. Assists Client Management and Regional Offices in planning and monitoring personnel and administrative support operations including reviewing and compiling major cost elements of the administrative support operations. Analyzes and notes significant differences in salaries and related benefits, procurement plans, and budgets. Notes, analyzes and reports on under-use and over-use of the budget elements and suggests corrective actions.

5. Maintains accounts and controls over program and operating funds allotted to the Client unit. Performs a continuous review of all obligations and disbursements and determines the validity of all unliquidated balances. Assists in the preparation of analytical reports including analytical information reports for Client management and formal reports required by USAID/W. Maintains working files and notes supporting the development of reports.

6. Is responsible for the MAPPR database, maintenance and upgrades. Assists other OFM staff and sector team members with running reports and analyzing data for the Mission and Regional offices.

7. Incorporates the attributes of USAID forward in daily work. Participates in OFM activities related to Local Capacity Development, as well as participating in the Mentor program.

8. Provides all other miscellaneous assigned duties and looks for targets of opportunity to support the OFM Clients to which assigned. Several of these representative miscellaneous duties are as follows:

- a. Backstops the work of other Accounts
- b. May temporarily perform as Acting Accountant
- c. Provides support to one or more Financial Analysts
- d. Undertakes field reviews (TDYs) of Clients and Institutional Recipients to review control systems and uses of funds

- e. Performs 1221 duties, Billings and Collections, Accounts Receivable/Payables reconciliation
- f. Assists in providing responses to USAID/CFO office for accounting related data calls.
- g. Assists in gathering information or responses to audit inquiries.

Incorporates the Five Core Values into His/Her Work

1. **Customer Focus:** Identifies and communicates with USAID customers regularly; surveys their interests, needs and recommendations; follows up on communications and information received from and about the customers. Ensures that customers' needs and thinking are included in all activities undertaken and that, where possible, customers are involved in key decisions. Surveys customer satisfaction periodically and serves as a knowledgeable advocate for customer service with other USAID employees and partners.
2. **Results Orientation:** Reviews baseline information against which to plan actions and identify targets and milestones. Defines specific operational and program results needed for his/her area of responsibility. Puts strategic plan in place and uses it as a framework for decisions. Reviews progress against targets and milestones regularly; takes needed action to modify plans when necessary and to maintain actions to accomplish the desired results within the time frame planned when possible. Serves as a knowledgeable advocate for the results orientation with other USAID employees and partners.
3. **Empowerment and Accountability:** Emphasizes results rather than oversight, and service outreach rather than internal control, in carrying out his/her responsibilities. Is clear about his/her own performance standards. Participates in defining objectives, reviewing performance, and upholding accountability for the accomplishment of the objectives.
4. **Teamwork and Participation:** Contributes to strategic planning, performance monitoring, and major program decisions of the Teams and Clients to which assigned. Demonstrates ownership of the Client's plans, performance, and decisions. Proactively participates in the client processes and activities. Includes other client members, customers and partners and assists in their understanding and participation in teamwork and the client's goals, performance, and decisions. Assumes responsibility for specific results assigned by the client.
5. **Valuing Diversity:** Understands and respects the various work groups and team members without stereotyping. Understands and respects the role of customers and partners. Realizes the synergy and benefits of differing backgrounds and skills to accomplish our strategic goals. Uses the synergy of core and extended teams to plan and works together to achieve results while accepting accountability for his/her own actions.
