

USAID | **INDONESIA**
FROM THE AMERICAN PEOPLE

U.S. Agency for International Development (USAID) based in Jakarta is recruiting Indonesian Nationals for the following position:

**USAID Project Management Specialist (Marine), FSN-11 (Full Performance)
Post Code: K11007**

Salary starts from Rp 21,800,431 per month depending on qualifications, experience and salary history.

BASIC FUNCTION OF POSITION:

The Project Management Specialist (PMS) is one of the resident Mission experts on marine and coastal as well as fisheries management. In collaboration with Senior Project Management Specialist (SPMS) for the marine program, the PMS manages fisheries and marine related projects and activities under the USAID/Indonesia Environment Office program.

QUALIFICATIONS REQUIRED:

- 1) Master Degree from an accredited University in fisheries, marine conservation, biology, natural resources management, environmental management, or in a related agricultural, environmental or development field is required.

- 2) A minimum of seven years of progressively responsible, professional experience in development assistance in one or more of the fields listed above. Previous work experience in project or program development or implementation with large development organization or donor agency is preferred.

- 3) Level IV (Fluent) English proficiency and Bahasa Indonesia are required.

All candidates must provide a cover letter in English which clearly expresses the rationale for their interest in the position in a manner and format that persuasively and convincingly argues for their recruitment.

Only short listed candidates will be notified for test and interview.

Send letter of application, complete resume in English and supporting documents (in Microsoft Word document format) & please put the post code: KI 1007 on the subject of your email to: jktrecruitment@usaid.gov

CLOSING DATE: November 26, 2014
