SUBJECT: Solicitation for a Cooperating Country National Personal Service Contractor (CCN PSC)

Dear Prospective Offerors:

The United States Government, represented by the U.S. Agency for International Development (USAID), is seeking offers from qualified persons to provide personal services under contract as described in this solicitation.

Offers must be in accordance with Attachment 1, Sections I through V of this solicitation. Incomplete or unsigned offers will not be considered. Offerors should retain copies of all offer materials for their records.

This solicitation in no way obligates USAID to award a PSC contract, nor does it commit USAID to pay any cost incurred in the preparation and submission of the offers.

Any questions must be directed in writing to the Point of Contact specified in the attached information.

Sincerely,

[Signature]
James Berscheit
Contracting Officer
I. GENERAL INFORMATION

1. SOLICITATION NO.: USAID-02-2017

2. ISSUANCE DATE: 10/19/2017

3. CLOSING DATE/TIME FOR RECEIPT OF OFFERS: 11/02/2017 at 6:00 p.m. Kyiv Time

4. POSITION TITLE: USAID Project Management Specialist (TB & Infectious Diseases Specialist)

5. MARKET VALUE: Equivalent to FSN-11 (full performance level of the position) in accordance with AIDAR Appendix J and the Local Compensation Plan of the US Embassy in Kyiv. Final compensation will be negotiated within the market value. The incumbent will be hired at the Development (Entry) Level equivalent to FSN-10 until he/she will successfully complete all mandatory USAID trainings and reach the full performance level of the position.

6. PERIOD OF PERFORMANCE: Two years with a possible extension

7. PLACE OF PERFORMANCE: Kyiv, Ukraine

8. SECURITY LEVEL REQUIRED: Facility Access

9. STATEMENT OF DUTIES:

MAJOR DUTIES AND RESPONSIBILITIES:

The USAID Project Management Specialist for TB & Infectious Diseases is posted in the Office of Health (OH), USAID/Ukraine and serves as the foreign service national (FSN) advisor on the tuberculosis (TB) portfolio which includes TB/HIV co-infection and hepatitis C (Hep C). The incumbent will collaborate closely with Office of Health (OH) staff and liaise with colleagues from the USG, Government of Ukraine (GOU), UN technical agencies, the World Bank (WB), other donors, and implementing partners. The incumbent will provide strategic, management, and technical advice to the USAID/Ukraine Mission and OH on TB and infectious diseases, serve as a senior technical liaison to the Global Fund (GF), and represent the Mission to the GOU, oblast health authorities, international technical organizations, and other collaborating partners. S/he will serve as a principal TB technical resource on the GF’s Country Coordination Mechanism (CCM) and other relevant technical working groups.

The Project Management Specialist for TB & Infectious Diseases will serve as a senior Agreement/Contracting Officer Representative (AOR/COR) and activity manager for key activities covering governance, health financing and management information, logistics and supply chain, human resources for health, and monitoring and evaluation. The incumbent will provide critical input into USAID/USG planning and performance reports for USAID and the President’s Emergency Plan for AIDS Relief (PEPFAR) including, but not limited to, Operational Plans,
Country Operational Plans (COPs), Semi-Annual Program Reports (SAPRs), and Performance Management Plans (PMPs). The specialist will perform a full range of research, consultative/advisory, planning, analysis, management, reporting, and monitoring and evaluation functions. S/he will have broad-based responsibilities in the design, implementation and evaluation of TB & Infectious Disease activities within the health portfolio. The incumbent will work directly with implementing partners to strengthen the programmatic, financial, and operational capacities of the Ukrainian National Public Health Center. The Project Management Specialist for TB & Infectious Diseases may support health reform by managing activities that pilot test the integration, quality, and sustainability of health services at the primary health care level and encouraging the scale-up of activities. The incumbent may travel up to 15% of his/her time within Ukraine.

A. Strategic Planning and Coordination  (45%)
- Provide technical, strategic, and programming support on TB, TB/HIV, Hep C; prepare or review strategies and program plans and incorporate evidence-based best practices into Mission interventions.
- Coordinate, plan, and program USAID/USG-assisted health programs with GOU, Global Fund, UN technical agencies, and other donors and USAID partners. Track implementation of Global Fund-supported programs.
- Prepare briefing materials, talking points, and other relevant documents for the USAID Program Office, senior USG leadership, USAID/W, PEPFAR, and other relevant audiences.
- Monitor and evaluate TB/HIV activities based on PEPFAR policies and strategies for Ukraine; ensure support and effective response to GOU priorities and strategies.
- Conceptualize and design new projects. Serve on relevant technical panels to evaluate program descriptions.
- Coordinate with OH team responsible in the USAID/USG health portfolio to be fully knowledgeable about activities, seek opportunities to integrate activities. Maintain strong collaborative relationships with other teams within USAID.
- Seek opportunities to implement strategies that enhance sustainability through innovation, research and efficiencies to ensure the sustainability of the National Tuberculosis Program (NTP) in Ukraine.
- Serve as site officer for VIP delegations and provide concise, informative briefings on the status of TB, TB/HIV, and Hep C services in Ukraine the USG response to support these programs.
- Stay abreast of current technical and clinical trends and international developments in TB, TB/HIV, and Hep C.
- Assist strengthening the coordination and leveraging of TB, TB/HIV, Hep C funds with non-USAID partners.
- Keep abreast of best practices and policies and current research on health activities relevant to the USG through online courses, professional literature, and other resources.

B. Management and technical support to Program Activities  (40%)
- Serve as Contracting/Agreement Officer’s Representative (AOR/COR) responsible for managerial and technical oversight of specific care and treatment grants.
- Provide technical oversight of planning and implementation of activities to ensure achievement of expected results; provide technical guidelines to implementing partners and oversee implementation progress.
- Participate in ongoing planning, management, and reporting on program activities.
• Support program monitoring and evaluation, including field visits to directly observe USAID-supported activities. Ensure that performance monitoring systems are in place and that periodic, reliable indicators have been established and that projects are collecting and analyzing valid data and disseminating them appropriately.

• Draft relevant sections of USG/USAID planning and performance reports including, but not limited to Operational Plans (OPs), Semi-Annual Program Reports (SAPRs), Program Management Plans (PMPs), and Performance Plans and Reports (PRPs). Review key annual plans, quarterly reports, and financial management statements.

• Provide ongoing technical assistance, training and consultation support to implementing partners on the development and implementation on TB, TB/HIV, Hep C activities.

• Assist in preparing technical and programmatic documentation on USAID assistance for a variety of audiences. Prepare concept papers and results frameworks, results packages and background papers on TB, TB/HIV, Hep C.

• Participate on behalf of USAID/Ukraine OH in technical, policy and strategic meetings as directed.

• Analyze national TB, TB/HIV, Hep C surveillance data.

• Ensure implementing partner performance monitoring systems are operating effectively; that reliable indicators are defined, collected and analyzed routinely, and the systems comply with USAID and international standards.

C. Representation (15%)

• Represent the Office of Health at routine Mission and Embassy meetings, and with USAID/W and other development partners. Represent the OH at GOU, other stakeholders’ professional and official meetings and events.

SUPERVISORY RELATIONSHIP: The Project Management Specialist will be supervised by the Office Health Director.

SUPERVISORY CONTROLS: The Project Management Specialist will be supervised by the Office Health Director.

10. AREA OF CONSIDERATION: Open to All Interested CCN (Cooperating Country National) Candidates.
