File Name: 308maa_092011

List of Public International Organizations

The following is the list of public international organizations and international agricultural research centers that are considered public international organizations for the purposes of [ADS 308](#) on awards to public international organizations. The list below does not determine whether an entity is an international organization for the purpose of other statutes or regulations. It will be updated periodically as organizations are added, deleted or re-categorized. Any comments to this list should be provided to the Delegated Cooperation Secretariat.
