ADS Chapter 580 – Conference Planning and Attendance

580.1 OVERVIEW
Effective Date: 08/23/2019

This chapter provides the Agency’s policy directives and required procedures that govern conferences funded in whole or in part by USAID, the attendance of USAID employees at conferences sponsored by others, and the participation of USAID staff in conferences attended by representatives of multilateral organizations. The purpose of the conference policy is to promote fiscal accountability in planning and decisions regarding conference attendance, and to ensure coherence and coordination across the Agency when staff participate in conferences with multilateral organizations. This chapter does not apply to the Office of the Inspector General (OIG). OIG conference procedures are found in OIG Policy Directive 6003.

A conference is defined as a seminar, meeting, retreat, symposium, workshop, training activity, or other such event (funded with USAID operating expense or program funds including those hosted by implementing partners). For the purposes of this policy, an employee is defined as a U.S. direct hire, personal services contractor, including Foreign Service Nationals (FSNs) and Third Country Nationals (TCNs), or federal employee detailed to USAID from another government agency. The policy does not apply to the following circumstances:

- Conference expenses paid under grants to grantees. The non-grant expenditures associated with a conference (e.g., travel costs for USAID employees) are not excluded if the attendance and funding level meet the criteria in 580.3.1.

- Routine meetings with partners (excluding multilateral partners) and meetings among USAID staff when fewer than ten employees will be in travel status (regardless of the number of employees participating), and the costs are under $100,000.

- Site visits performed by Contracting Officer’s Representatives (COR), Agreement Officer’s Representatives (AOR), or Activity Managers to provide oversight of USAID-funded agreements with multilateral partners.

- Operational and technical meetings with multilateral organizations when no travel is involved. This includes meetings to discuss activities in a specific sector or program, and meetings regarding operational activities, e.g., financial management.

- Co-creation conferences to facilitate the design of programs or procurements.

- Events funded and scheduled by the Center for Professional Development within the Office of Human Capital and Talent Management.
● A single course presented by an instructor conducted at a U.S. Government training facility (including the Washington Learning Center or other USAID training facilities), a commercial training facility, or other venue if a training facility is not available.

● Travel to attend USAID-sponsored and external events when the purpose of the travel falls under “mission” as defined in the Federal Travel Regulation, Chapter 301, Appendix C. This includes travel to a particular site to perform operational or managerial activities and travel to attend meetings to discuss USAID programs and operations. This exception would only apply to USAID-sponsored conferences when travel and light refreshments are the only direct costs associated with the event. The exception does not apply to conferences/meetings with multilateral organizations.

● Employee participation in external conferences when no travel is involved, with the exception of multilateral conferences that otherwise meet the criteria for approval (e.g., a high-profile policy meeting such as the United Nations General Assembly and the Spring and Fall meetings of the World Bank and the International Monetary Fund).

● Employee participation in conferences and USAID-sponsored conferences when there is no cost to the Agency. This exception does not apply to high-profile policy conferences sponsored by multilateral organizations.

While USAID-sponsored events that meet the above criteria are exempt from the approval process outlined in this chapter, the approving officials must ensure fiscal responsibility in planning the events and compliance with all applicable Federal regulations, including the Federal Travel Regulation and the Federal Acquisition Regulation. Documentation must be maintained in accordance with the Agency’s records retention guidelines (see ADS 502, The USAID Records Management Program).

580.2 PRIMARY RESPONSIBILITIES
Effective Date: 08/23/2019

a. The Administrator (AID/A) approves a waiver to fund a single conference with estimated costs in excess of $500,000; pre-approves recurring internal and external conferences on an annual basis when requested by the responsible B/IO; and approves the participation of USAID staff in multilateral conferences.

b. The Deputy Administrator approves expenditures for internal and external conferences with estimated costs greater than $100,000 to $500,000.

c. The Assistant Administrator for Management (AA/M) approves expenditures for internal and external conferences with estimated costs of $100,000 or less.

d. The Chief, Bureau for Management, Office of Management Services, Travel
and Transportation Division (M/MS/TTD) reviews and authorizes Travel Authorizations (TAs) for TDY travel to ensure conformity to laws, governing regulations, and Agency policy directives.

e. The Chief, Bureau for Management, Office of Management Policy, Budget and Performance, Policy Division (M/MPBP/POL) develops and publishes policies and required procedures regarding conference planning and attendance and manages the conference approval process.

f. The Conference Attendee requests approval through the eConference Tracking and Approval System for external conference attendance in sufficient time to take advantage of early registration fees and submits an expense voucher to account for his/her travel and related costs upon conclusion of the conference.

g. The Assistant Administrators and Independent Office Directors (1) request approval for all conferences funded by the Bureau, Mission, or Independent Office (B/IO); and (2) ensure that the B/IO representation at USAID-sponsored or external conferences is limited to the minimum number of attendees necessary to accomplish the Agency’s mission.

h. The Office of the Executive Secretary (ES) coordinates and communicates with B/IOs regarding conference-related Action Memoranda submitted for the approval of the Administrator or Deputy Administrator.

i. The Bureau and Independent Office Primary Point of Contact for Conferences (B/IO POC) (1) provides guidance to travelers in their B/IOs and conference organizers to ensure that conference approval requests comply with the requirements outlined in this ADS chapter; (2) provides clearance before submitting conference packages for approval; and (3) engages with relevant stakeholders across the Agency to coordinate Agency-wide participation in conferences that fall under the technical or functional responsibility of the B/IO.

j. The Contracting Officer’s Representative (COR) obtains required approvals before requesting that institutional support contractors attend multilateral conferences.

580.3 POLICY DIRECTIVES AND REQUIRED PROCEDURES

580.3.1 Justification and Approval of Conference Expenditures

Effective Date: 08/23/2019

USAID managers must be fiscally responsible in planning conferences and in making decisions regarding conference attendance. Staff attending conferences must have a work-related need to attend, and USAID-funded conferences must be in support of the Agency’s mission. Conference expenditures must be justified based on one or more of the following:

- Furthers one of the Agency’s core development objectives,
● Contributes to relationships with key constituencies,

● Advances leadership in the development community,

● Responds to Congressional mandates or Federal compliance requirements, and/or

● Provides critical training that is relevant to an employee’s work.

Managers must make every effort to minimize conference costs, maximize the use of government-owned facilities, and identify opportunities to reduce costs in selecting conference locations and facilities.

Approval is required for the following:

(a) USAID-sponsored conferences that ten or more USAID employees who will be in travel status are expected to attend, regardless of cost.

(b) Conferences to be sponsored or hosted by USAID, or external conferences attended by USAID staff, where the net conference expenses by USAID will exceed $100,000 (excluding salary of employees), including those which no travel is involved.

(c) Five or more USAID employees from anywhere in the Agency are in travel status to attend the same external conference, regardless of cost.

(d) USAID staff participation in operational and technical meetings with multilateral organizations when travel is involved. This includes meetings to discuss operational activities (e.g., financial management) and meetings regarding programs or sectors in which USAID works.

(e) USAID staff participation in all high-profile policy meetings sponsored by multilateral organizations. This includes meetings to discuss issues of global interest, such as the United Nations General Assembly or the Spring and Fall meetings of the World Bank and International Monetary Fund.

Approval is required for all staff to attend multilateral meetings that meet the criteria for approval. This includes staff under all hiring mechanisms – direct hire, personal service contractor (PSC), detaillee, institutional contractor, Participating Agency Service Agreement, fellow, etc.

The conference approving officials are as follows:
● The Assistant Administrator for Management (AA/M) approves expenditures for internal and external conferences with estimated costs of $100,000 or less that are not on the pre-approved list.

● The Deputy Administrator approves conference expenditures that are greater than $100,000 up to 500,000 for both internal and external conferences that are not on the pre-approved list.

● A/AID approves waivers to spend in excess of $500,000 on a single conference; approves staff participation in conferences with multilateral organizations; and pre-approves recurring USAID-sponsored conferences, which include estimated costs and thresholds for employees who are participating in recurring external conferences, on an annual basis when requested by the responsible B/IO. The Agency is prohibited from incurring expenses greater than $500,000 on a single conference. A/AID may provide a waiver from this prohibition if he/she determines that exceptional circumstances exist whereby spending in excess of $500,000 on a single conference is the most cost-effective option to achieve a compelling purpose. A/AID’s approval is required for all USAID staff (regardless of hiring mechanism) to attend conferences/meetings with multilateral organizations when travel is involved, or the event includes high-level policy discussions. This includes operational and technical meetings, serving as members of official U.S. Government Delegations, and attending Board meetings, meetings of Commissions, and other multilateral events.

The above thresholds do not include the salary cost attributable to the time employees spend during conferences and while in travel status. However, the approving official will consider both the direct and in-direct (salaries) costs in making decisions regarding the cost effectiveness of conferences.

580.3.2 External Conference Attendance
Effective Date: 11/02/2017

USAID representation at conferences must be limited to the minimum number of attendees necessary to accomplish the Agency’s mission (see the Federal Travel Regulation, Chapter 301, Part 301-74.18). B/IOs must consider travel and other expenses when selecting attendees. USAID employees attending conferences must comply with Federal regulations (FTR Chapter 301, Part 301-74) and Agency policies on conference-related travel, meals, lodging, and other expenses.

580.3.2.1 Pre-Approved External Conference Attendance
Effective Date: 08/23/2019

B/IOs may submit for A/AID approval a list of recurring external conferences for the upcoming fiscal year, including participation levels and estimated costs. ES, in consultation with the Bureau for Management, will issue a tasker on or about July 31 for recurring external conferences scheduled for the next Fiscal Year (FY), e.g., July 31 of

Text highlighted in yellow indicates that the adjacent material is new or substantively revised.
FY 2019 for recurring conferences in FY 2020. B/IOs will submit the list for conferences within their technical or functional areas of responsibility and consider participants Agency-wide in the recommended threshold. After obtaining approval from their supervisor, employees who wish to attend a pre-approved conference must enter a request in the eConference Tracking and Approval System (eCTAS) at least 30 days prior to the start date of the event. A clear and compelling justification for attending the conference must be provided in eCTAS. Each employee who requests to attend an external conference will receive a confirmation email from econference@usaid.gov when approval has been granted to proceed with registration. The employee must also attach the confirmation email to the travel authorization in the E2 Travel System. No further action is required by the coordinating B/IO, unless the number of employees who are attending or the cost will exceed the pre-approved levels by ten percent or more, in which case the Administrator must approve the increase (see 580.3.3 for additional information on eCTAS).

580.3.2.2 External Conferences That Are Not Pre-Approved
Effective Date: 08/23/2019

Approval is required for five or more USAID employees who are in travel status from anywhere in the Agency to incur costs to attend the same external conference if the conference does not appear on the pre-approved list or meet one of the exemptions outlined in 580.1. The Conference POC for the B/IO responsible for the technical or functional area will coordinate Agency-wide participation and prepare an action memorandum for the designated approving official (see 580.3.1). After obtaining approval from their supervisor, employees who wish to attend the conference must enter a request in the eConference Tracking and Approval System at least 30 days prior to the start date of the event (see 580.3.3 for additional information on eCTAS). A clear and compelling justification for attending the conference must be provided in eCTAS. Each employee requesting approval to attend an external conference will receive a confirmation email from econference@usaid.gov when approval has been granted or a determination has been made that fewer than five people will attend. The employee must attach the email confirming approval to the travel authorization in the E2 Travel System.

Approving officials must approve an increase of ten percent or more in the cost or number of participants for a previously approved externally sponsored conference. The responsible B/IO must submit an action memorandum from the Assistant Administrator or Independent Office Director to request the approval.

580.3.2.3 Multilateral Conferences
Effective Date: 08/23/2019

A/AID’s approval is required for any member of the USAID workforce (direct-hire employee, PSC, institutional contractor, PASA, Fellow, etc.) to attend a high-profile policy meeting sponsored by a multilateral organization or to attend operational and technical meetings with representatives of multilateral organizations when travel is involved. Site visits performed by CORs, AORs, and Activity Managers and co-creation
conferences regardless of travel status, and operational and technical meetings with representatives of multilateral organizations when no travel is involved are exempt from the approval process. For the purposes of this policy, a multilateral organization is defined as an organization or alliance formed between multiple nations and/or organizations to work on issues that relate to all members of the organization or alliance. This includes leading or serving on official U.S. Government Delegations for high-profile policy conferences (e.g., to the governing bodies of the World Health Organization, the United Nations General Assembly) that require accreditation or registration coordinated by the Department of State’s Office of International Conferences within the Bureau for International Organization Affairs (IO/C), attending multilateral Board meetings, meetings of Commissions and other multilateral events, regardless of whether credentialing by State IO/C is required. A/AID approval is required prior to the proposal of, or start date for, any employee as a member of an official U.S. Government Delegation.

B/IOs must use ADS 580mac, Action Memorandum Template – Multilateral Conference Attendance to request approval to attend multilateral conferences. There are two types of submissions for multilateral conference attendance (1) multiple events in a month (monthly bundled) or (2) a single event. B/IOs should include all known events for the month in a bundled submission. Both the single event and monthly bundled event submission require both the action memorandum and the MSExcel template. The B/IO with the technical or functional responsibility for the subject matter must prepare the memorandum and include a list of participants Agency-wide from all hiring categories. If contractor personnel will be included, the Contracting Officer Representative (COR) for the contract must obtain the required approvals prior to requesting their attendance.

The B/IO is responsible for submitting the action memoranda (memo) to ES for A/AID approval. The action memo must be received in ES at least 30 calendar days prior to the start date. An explanation must be provided in the Background section of the action memorandum if not submitted 30 calendar days in advance. ES must receive monthly bundled action memoranda with all required information in the template at a minimum by the first day of the month proceeding the month in which the events will take place. For example, ES must receive the action memorandum by May 1 for approval of events with start dates of June 1 or after. ES will advise the requesting B/IO of the Administrator’s approval or disapproval within ten business days of submission to ES, unless additional information is required.

AA/M must provide clearance for action memo requesting approval for bundled and single events prior to submission to ES. B/IOs should submit the action memo to econference@usaid.gov for AA/M clearance. The M Bureau will respond to requests for information or clearance within two business days. The conference coordinator must info copy the Office for Budget and Resource Management (BRM) at BRMTaskerList@usaid.gov if program funds are used. B/IOs should submit requests that require State IO/C action at least 14 days prior to the start of the conference via email to IO-C-Program@state.gov.
Conferences sponsored by multilateral organizations must be entered in the eConference Tracking and Approval System (eCTAS) as an externally sponsored event when five or more employees Agency-wide are in travel status to attend or direct costs exceed $100,000. Multilateral conferences that are co-sponsored by USAID must be entered in eCTAS as a USAID-sponsored event when ten or more employees will be in travel status to attend or direct costs exceed $100,000. See ADS 580.3.3 for additional guidance on USAID-sponsored conferences. All other multilateral conferences will not be entered in eCTAS, but relevant information must be provided in the action memo.

Each employee traveling must attach an approved action memorandum, with his/her name listed, to the travel authorization in the E2 Travel System.

580.3.2.4 Registration Fees
Effective Date: 04/11/2012

Employees must make every effort to take advantage of early registration discounts. Managers must only approve late registration fees when extenuating circumstances prevented the employee from taking advantage of the regular or early fee. Attendees will be reimbursed for a discounted payment for a conference registration fee when travel to the event has been approved and a proper claim for reimbursement of expenses (voucher) is submitted. In cases where an attendee is unable to attend an event for which a registration fee was paid in advance of the event, the attendee must seek a refund of the registration fee and repay the Agency with any refund received. If no refund is made, the Agency must absorb the advanced payment if the attendee’s failure to attend the event was caused either by an Agency decision or for reasons beyond the employee’s control that are acceptable to the Agency, such as an unforeseen illness or emergency. If no refund is made, and the attendee’s failure to attend the scheduled event is due to reasons deemed inexcusable by the Agency, the traveler must repay the Agency for the amount advanced.

580.3.2.5 Meals and Light Refreshments
Effective Date: 04/11/2012

When meals or light refreshments are furnished by the sponsoring organization or are included in the registration fee, the applicable meals and incidental expenses (M&IE) must be calculated.

(a) If meals are furnished, the appropriate deduction from the M&IE rate must be made (see FTR Chapter 301, Part 301-11.18).

(b) If light refreshments are furnished, no deduction of the M&IE allowance is required. Light refreshments for morning, afternoon, or evening breaks are defined to include, but are not limited to, coffee, tea, milk, juice, soft drinks, donuts, bagels, fruit, pretzels, cookies, chips, or muffins.

580.3.2.6 Conference Lodging
Effective Date: 04/24/2014

Text highlighted in yellow indicates that the adjacent material is new or substantively revised.
As a general rule, lodging costs should be within the established lodging portion of the per diem rate for the locality. In those instances when lodging is not available at the applicable per diem rate or the employee is attending an event where lodging must be procured at a pre-arranged place, the employee may be authorized to use the actual expense method. The travel authorization or an amendment must specifically state that the actual expense method is authorized. Actual expenses must be authorized in advance, except in instances where prior approval is not possible. In such cases, actual subsistence expense requests must be submitted to M/MS/TTD no later than 30 days after travel has been completed. Where actual expenses are less than the maximum authorized, only actual expenses are reimbursed.

See ADS 633, Financial Management Aspects of Temporary Duty (TDY) Travel and ADS 522, Performance of Temporary Duty Travel in the U.S. and Abroad.

580.3.3 USAID-Sponsored Conferences
Effective Date: 11/02/2017

USAID B/IOs must plan and approve USAID-funded conferences in accordance with the Federal Travel Regulations (FTR Chapter 301-74), the Federal Acquisition Regulation, and USAID policies, e.g., ADS 610. When planning a conference, Bureaus/Independent Offices must:

(a) Assure that there is appropriate management oversight of the conference planning process;

(b) Document all direct and indirect conference costs (including employee salaries) to be paid by USAID, whether paid directly or reimbursed to travelers or others associated with the conference;

(c) Invite the minimum number of attendees needed to achieve the goals of the conference, limiting the number of participants to two per Mission unless adequately justified;

(d) Consider alternatives to a conference, such as videoconferencing and teleconferencing;

(e) Maximize the use of Government-owned or Government-provided conference facilities as much as possible;

(f) Identify opportunities to reduce costs in selecting a particular conference location and facility (for example, through the availability of lower rates during the offseason at a site with seasonal rates);

(g) Keep other costs as low as possible -- use in-house facilitators when feasible, keep food and audiovisual equipment costs to a minimum, limit printing when

Text highlighted in yellow indicates that the adjacent material is new or substantively revised.
possible and rely on less costly ways to share information, limit stays in country
to the dates needed to attend events and/or consultations; and

(h) Ensure that the conference planner or designee does not retain for personal use
any promotional benefits or materials received from the travel service provider as
a result of booking the conference.

See **FTR Chapter 301, Appendix E, Suggested Guidance for Conference Planning.**

### 580.3.3.1 Pre-Approval of Recurring USAID Sponsored Conferences

Effective Date: 08/23/2019

B/IOs may submit a list of recurring USAID-sponsored conferences for the upcoming
fiscal year for A/AID’s approval. ES, in consultation with the Bureau for Management,
will issue a tasker on or about July 31 of the current Fiscal Year for recurring
conferences planned for the next fiscal year, *e.g.*, July 31 of FY 2019 for recurring
conferences in FY 2020. The tasker will provide guidelines for the submission. If the
estimated cost of a single conference exceeds $500,000, A/AID must sign a waiver for
the Agency to fund the conference. *In this case, the event may not be pre-approved.*
The B/IO must submit an action memo, which will serve as the waiver request. The
action memo must discuss why a single conference is the most cost-effective option to
achieve a compelling purpose.

If program funds will pay for all or part of a requested conference, the conference
coordinator must send an information copy to the Office of Budget and Resource
Management (BRM) at **BRMTaskerList@usaid.gov.**

No further approval of conferences on the pre-approved list will be required, unless the
cost or number of participants increases by more than ten percent. A/AID must approve
the increase through an action memorandum from the Assistant Administrator or
Independent Office Director. See ADS 580.3.3.2 for conferences not on the pre-
approved list.

Conference coordinators must enter detailed information on conferences pre-approved
by A/AID in the eConference Tracking and Approval System (eCTAS) at least 30 days
prior to the start date of the event and before costs are incurred or contractual
commitments are made. The following information must appear in eCTAS:

- Event sponsor and co-sponsor;
- If applicable, external co-sponsors and their contribution;
- Conference coordinator and POC name, email, and telephone number;
- Event name, location, start and end dates;
- Venue name and full address;

*Text highlighted in yellow indicates that the adjacent material is new or substantively revised.*
● A brief summary of the event, to include how it is aligned with mission critical priorities and the anticipated return on investment;

● Total number of USAID employees proposed for participation;

● Total number of other USAID-funded attendees (e.g., institutional contractors). The cost for these participants should not be included in the direct cost of the conference if they are funded under a negotiated agreement not directly in support of the conference;

● Total number of other attendees (e.g., partners, representatives from other agencies, host-government officials). Indicate the number of people expected to attend whose costs (e.g., travel/per diem) USAID will not fund;

● Names and quotes for three potential sites, one of which must be a U.S. Government facility, if available (see ADS 580.3.3.e Cost Comparisons for the Venue). The three quotes are not required if a suitable U.S. Government facility is available at no cost. When B/IOs do not select the lowest bidder, a brief justification is required;

● Direct Costs - travel and per diem costs of employees, conference venue cost, meals/refreshments costs, facilitator fees, computer and telephone access fees, printing costs, and other associated direct costs;

● Funding source and designated amount (e.g., operating expense and/or program funds);

● When the conference will provide meals, indicate the meals provided per day and the appropriate determination that meals provided to local employees are a necessary expense (see 580.3.3.4);

● Clearance by the relevant Mission Directors if the event will take place at an overseas location. Upload a copy of the clearance to eCTAS; and

● Certification that the proposed costs are comprehensive and represent the greatest cost advantage to the U.S. Government. Upload a signed copy of the conference coordinators checklist to eCTAS.

Prior to approving travel in the E2 Travel System for an employee to attend a USAID-sponsored conference, supervisors must confirm with the conference coordinator that the employee is approved to attend, and note the approval in the comment section in E2.

580.3.3.2 USAID-Sponsored Conferences Not Pre-Approved
Effective Date: 08/23/2019
For conferences not pre-approved, conference coordinators must request approval through the eCTAS when ten or more USAID employees in travel status are expected to attend, or the cost will exceed $100,000, unless the event meets one of the exceptions outlined in 580.1. Ideally, approval should be requested at least 120 days in advance of the proposed event, but must be requested no later than 30 days prior to the start date. The approval must be provided before commitments are made or costs are incurred.

The conference coordinator must upload into eCTAS (see 580.3.4 for additional information on eCTAS) an action memo from the cognizant Assistant Administrator or Independent Office Director. The action memo must be reviewed and cleared by the B/IO Point of Contact for conferences prior to submission. The action memo must include the following:

- A brief summary of the proposed event that includes how it is aligned with mission-critical priorities, and the anticipated return on investment;
- The total estimated direct costs and the estimated salary of employees during the conference and while in travel status;
- The number of USAID employees attending;
- The number of other USAID-funded participants (e.g., institutional contractors). The cost for these participants should not be included in the direct cost of the conference if they are funded under a negotiated agreement that is not directly in support of the conference;
- The number of other participants (e.g., partners, representatives from other agencies, host government officials);
- Confirmation that alternatives to a conference were considered, e.g., videoconferencing;
- A list of employees attending and a justification for each;
- Clearance from the Mission Director if the event will be held at an overseas location;
- A cost comparison for at least three potential venues (including a U.S. Government owned or leased facility) and a justification if the lowest cost facility is not selected (see 580.3.3.3);
- A justification for the selected location to include a cost estimate for locations considered (e.g., Washington vs. a field location);
● A line item budget for the total estimated cost of the conference (e.g., travel and per diem, venue, facilitators, meals, equipment, printing, access fees, ground transportation);

● A determination that meals provided to local employees are a necessary expense (see 580.3.3.4); and

● Certification that the proposed costs are comprehensive and represent the greatest cost advantage to the U.S. Government.

If the estimated cost exceeds $500,000, A/AID must sign a waiver for the Agency to fund the conference. In this case, the action memo must be addressed to A/AID and will serve as the waiver request. The memo must discuss why a single conference is the most cost effective option to achieve a compelling purpose.

Approving officials must approve an increase of ten percent or more in the cost or number of participants for a previously approved USAID-sponsored conference. The responsible B/IO must submit an action memorandum from the Assistant Administrator or Independent Office Director to request the approval.

**ADS 580mab, Conference Approval Memo Template for USAID Sponsored Conferences** provides a template for the conference action memo and attachments. Conference coordinators must use the template and complete the **Conference Coordinator Checklist**. Conference coordinators must upload both of these documents in eCTAS. If program funds will pay for all or part of the requested conference, the conference coordinator must send an information copy of the action memo to the Office of Budget and Resource Management (BRM) at BRMTaskerList@usaid.gov.

Prior to approving travel in the E2 Travel System for an employee to attend a USAID-sponsored conference, supervisors must confirm with the conference coordinator that the employee is approved to attend, and note the approval in the comment section in E2.

**580.3.3.3 Cost Comparisons for the Venue**
**Effective Date: 12/11/2014**

A conference coordinator seeking a facility for a conference must conduct a cost comparison for a minimum of three potential sites, one of which must be a U.S. Government facility, if available. Competitive quotes are not required if the cost for the venue is below the micro-purchase threshold as long as the cost is considered reasonable (see ADS 331.3.4). The conference coordinator must make every effort to select a site that is the most advantageous to the U.S. Government. The USAID Washington Learning Center and other USAID facilities should be the venue of first choice when feasible. Cost comparisons must include, but not be limited to, a determination of the adequacy of lodging rooms at the established per diem rates, overall convenience of the conference location, fees, availability of meeting space, equipment and supplies, and the commuting or travel distance of attendees (see FTR).
The selection of conference facilities must also be in compliance with the FAR requirements.

As a part of the cost comparison, B/IOs must use the established *per diem* rate for locations for which costs are compared. Conference planners are encouraged to use the GSA Federal conference planning tool, FedRooms, to facilitate cost comparisons. There are over 3,000 commercial facilities globally in the program that provide accommodations at or below the published *per diem* rate for the locality. Information on event and meeting spaces in U.S. Government-owned buildings can be obtained at [http://www.gsa.gov/portal/content/104886](http://www.gsa.gov/portal/content/104886).

While it is always desirable to obtain lodging facilities within the established lodging portion of the *per diem* rate for a chosen locality, it may not always be possible. In negotiating lodging rates, the employee may exceed the established lodging portion of the *per diem* rate, if warranted (see ADS 522.3.17.1). This will provide flexibility in selecting an appropriate property at the most advantageous location. The B/IO sponsoring the conference will request approval to exceed the lodging portion of the *per diem* rate for the selected locality in the action memo accompanying the approval request. If approved, the rate must be allowable for all employees authorized to attend the conference.

Bureaus or Independent Offices must hold USAID-funded conferences in the United States at an accommodation approved by FEMA. This requirement may only be waived if A/AID makes a written determination on an individual basis that a waiver is necessary in the public interest for a particular event. Conference planners must determine whether a site is an approved accommodation at [http://apps.usfa.fema.gov/hotel/](http://apps.usfa.fema.gov/hotel/).

The sponsoring B/IO must maintain a record of the cost of each site considered. The B/IO must make these records available for the inspection of the Office of the Inspector General or other interested parties.

Additional guidance for planning a conference is available in [FTR Chapter 301, Appendix E, Suggested Guidance for Conference Planning](http://www.gsa.gov/portal/content/104886).

### 580.3.3.4 Food During USAID-Funded Conferences

Effective Date: 04/11/2012

The provision of food during USAID-funded conferences must be in accordance with [ADS 610, Use of Entertainment Account, Representation Allowances, and Program and Operating Expense Funds for Entertainment](http://www.gsa.gov/portal/content/104886). The general rule is that USAID may not normally provide meals to USAID employees during conferences that are determined to be training activities unless the attendee is in temporary duty status, or the meal is a necessary expense. Attendees must be away from the official duty station for more than 12 hours and at least 50 miles from both the permanent duty station and home in order to be in temporary duty travel status. Light refreshments for morning, afternoon, or evening breaks may be provided if the training is an all-day course or there are extenuating circumstances, *e.g.*, a place to buy refreshments is not available.
available. Light refreshments are defined to include, but are not limited to, coffee, tea, milk, juice, soft drinks, donuts, bagels, fruit, pretzels, cookies, chips, or muffins.

In accordance with 5 CFR 410.404, an employee’s attendance at a conference may be considered a training activity, when:

(a) The announced purpose of the conference is educational or instructional;

(b) More than half of the time is scheduled for a planned, organized exchange of information between presenters and audience which meets the definition of training;

(c) The content of the conference is pertinent to improving individual and/or organizational performance; and

(d) Development benefits will be derived through the employee's attendance.

The conference coordinator must make a determination that essential training will be conducted during meal(s) provided to local employees. Bureaus and Independent Offices must certify in eCTAS whether or not the conference meets the criteria outlined above and that the provision of meals at the conference is necessary for the employee to obtain the full benefit of the training.

When employees are in temporary duty status and receive meals during a USAID-funded conference, the applicable meals and incidental expenses (M&IE) allowance must be calculated.

(a) If meals are furnished, the employee must make the appropriate deduction from the M&IE rate (see FTR Chapter 301, Part 301-11.18).

(b) If light refreshments are furnished, no deduction of the M&IE allowance is required. Light refreshments for morning, afternoon, or evening breaks are defined to include, but are not limited to, coffee, tea, milk, juice, soft drinks, donuts, bagels, fruit, pretzels, cookies, chips, or muffins.

See ADS 610, Use of Entertainment Account, Representation Allowances, and Program and Operating Expense Funds for Entertainment for additional information on the expenditure of appropriated funds for meals and refreshments. The Office of General Counsel should be consulted if there are questions regarding the appropriateness of planned expenditures.

580.3.3.5 Promotional Materials or Benefits
Effective Date: 04/11/2012

The conference planner or designee must not retain for personal use any promotional benefits or materials received from a travel service provider as a result of booking a conference. If offered such benefits as a result of his/her role as a conference planner,
s/he must not retain such benefits for your personal use. S/he must only accept such benefits on behalf of the Federal Government, and such accepted benefits must only be used for official Government business (see FTR Chapter 301, Part 301-53.3).

580.3.4 Conference Tracking and Approval System
Effective Date: 11/02/2017

The eConference Tracking and Approval System (eCTAS) is the corporate application for managing conference activities. All USAID employees who plan to attend an external conference and USAID organizations planning to fund a conference that meets the criteria outlined in 580.3.1 must request approval through the eCTAS or enter required information for pre-approved conferences (see ADS 580saa, eConference Tracking and Approval System (eCTAS) User Guide).

580.3.5 Reporting Requirement
Effective Date: 07/06/2012

USAID must report conference expenses on the official website beginning January 31, 2013 and by January 31 of each following year. The report must provide a description of all agency-sponsored conferences from the previous fiscal year where the net expenses were in excess of $100,000. This description must include the following:

- The total conference expenses incurred by the agency for the conference;
- The location of the conference;
- The date of the conference;
- A brief explanation of how the conference advanced the mission of the Agency;
- The total number of individuals whose travel expenses and/or other expenses were paid for by the Agency; and
- For any instances where the net expenses for an agency-sponsored conference exceeded $500,000, the report must include A/AID signed waiver that identified the exceptional circumstances that necessitated exceeding this threshold.

580.6 DEFINITIONS
Effective Date: 03/02/2018
See the [ADS Glossary](#) for all ADS terms and definitions.

**accreditation**
The granting of authority to speak, negotiate, and engage in multilateral diplomacy on behalf of the U.S. Government. The Office of International Conferences within the Bureau for International Organization Affairs of the Department of State is the only Federal entity authorized to accredit delegations. *(Chapter 580)*

**conference**
For the purposes of ADS 580, a seminar, meeting, retreat, symposium, workshop, training activity or other such event funded in whole or in part by USAID. *(Chapter 580)*

**conference coordinator**
The person designated by the sponsoring Bureau, Independent Office, or Mission to plan and serve as the point of contact for a conference. *(Chapter 580)*

**conference lodging allowance**
A pre-determined maximum allowance of up to 25 percent greater than the applicable locality portion of the *per diem* rate. *(Chapter 580)*

**delegation**
An official U.S. Government Delegation is a group of individuals accredited by the U.S. Department of State to speak, negotiate, and engage in multilateral diplomacy on behalf of the U.S. Government. *(Chapter 580)*

**direct cost**
For the purposes of ADS 580, direct costs include all costs attributable to the event, *e.g.*, travel and *per diem*, audiovisual and other equipment usage, computer and telephone access fees, facilitator fees, room rentals, meals, printing, ground transportation. The direct costs are those that the Agency would not incur if the event is not held. *(Chapter 580)*

**employee**
For the purposes of ADS 580, a U.S. direct-hire, U.S. personal services contractor, including Foreign Service Nationals and Third Country Nationals or individual detailed from another government agency to USAID. *(Chapter 580)*

**external conference**
A conference funded or sponsored by entities other than USAID. *(Chapter 580)*

**indirect cost**
For the purposes of ADS 580, the indirect cost for conferences is limited to the estimated salaries of employees while attending a conference and in travel status. *(Chapter 580)*

**multilateral organization**
An organization or alliance formed between multiple nations and/or organizations to work on issues that relate to all members of the organization or alliance (e.g., the World Health Organization; Gavi, the Vaccine Alliance; Education Cannot Wait; World Bank). (Chapter 580)

**net conference expenses**
Total conference expenses excluding any fees or revenue received by the Agency through the conference and costs to ensure the safety of attending governmental officials. (Chapter 580)

**temporary duty (TDY) travel**
Official travel at least 50 miles from both an employee’s home and duty station for a period exceeding 12 hours. (Chapter 522 and 580)

**training**
A learning activity taking place in the U.S., a third country, or in-country in a setting predominantly intended for teaching or imparting certain knowledge and information to the participants with formally designated instructors or lead persons, learning objectives, and outcomes, conducted full time or intermittently. (Chapter 580)

**venue**
The place where an event is held, such as a hotel or convention center. (Chapter 580)
