This AAPD 10-03, Amendment 1 is archived because the same-sex domestic partner program ended for U.S. direct hires Foreign Service Officers (USDH) on Sept. 30, 2018. See All Diplomatic and Consular Posts Collective (ALDAC) cable 15 STATE 118678.

The corollary program for TCNPSCs excepted from the local compensation plan issued under this AAPD was similarly discontinued to maintain parity of benefits with USDH.

PURPOSE: The purpose of this AAPD is to amend AAPD 10-03 to include benefits for same-sex domestic partners of TCN PSCs who are not compensated under the local compensation plan.

ACTION REQUIRED: Effective immediately, Contracting Officers (COs) must implement the changes to AIDAR Appendix J, as shown in Attachment 1 and as prescribed in the Guidance section below.

BACKGROUND: In June 2009, the Secretary of State announced that the Department of State would extend the full range of legally available benefits and allowances to same-sex domestic partners of Foreign Service employees serving overseas. USAID announced in Executive Message dated August 4, 2009, that the Agency is extending those benefits and allowances to USAID Foreign Service employees and to USPSCs serving overseas. AAPD 10-03 provided more detailed implementing guidance for the USPSCs.

At the time AAPD 10-03 was approved, the agency had not determined how or if these benefits could be applied to TCN PSCs whose compensation is based on Appendix D. It has since been determined that the benefits can be applied. The class deviation associated with AAPD 10-03 had very limited impact on Appendix J (see the original APPD). It did not address the TCN PSCs paid under Appendix D compensation. The Director, M/OAA, has approved a class deviation that addresses TCN PSCs paid under Appendix D when the Mission Director determines that the local plan is inappropriate by revising the definition of “Dependents” in Appendix J.

GUIDANCE: This AAPD amendment implements changes to the definition of “Dependents” in Appendix J to include same-sex domestic partners of TCN PSCs who are not compensated under the local compensation plan and authorizes benefits for TCN PSCs per AAPD 10-03.

There are now two versions of General Provision 1 in Appendix J.

- The first version of General Provision 1 remains the same except for title, prescription and date. It is to be used in both CCN and TCN contracts in which compensation is in accordance with the local compensation plan.
- The second version of GP 1 also revises the title, prescription and date, and changes section (o) Dependents. Paragraphs (a) through (n) remain unchanged from the current GP, with only “(o) Dependents” changed through the class deviation to add “same sex domestic partners” and their children as shown in the attached GP 1 “Definitions- Non-LCP (AUG 2011)”.

POINT OF CONTACT: Questions may be directed to M/OAA/P, Thomas Henson, on (202) 567-4677.
