AAPD 03-01 -- The AAPD System -- Summary of Retired AAPDs

PURPOSE: The purpose of this AAPD is to advise that the first AAPD of each calendar year shall no longer provide a summary of active CIBs/AAPDs. Instead, it shall provide only a summary of those CIBs/AAPDs retired since issuance of the previous year’s initial AAPD. This AAPD provides those documents retired since issuance of AAPD 02-01 in January 2002.

BACKGROUND: In previous years, the first AAPD or CIB issued each year provided the current listing of all active AAPDs and CIBs, as well as retired ones. The improved AAPD website referenced below will now be maintained by the Policy Division and will provide a continuously updated reference list of all current CIBs/AAPDs for contracting personnel use.

GUIDANCE: As of February 2003, the Office of Procurement’s Policy Division will maintain an up-to-date listing of active AAPDs/CIBs on the Office of Procurement “Announcements, Solicitations and Resources” page of the Agency website*. As documents are retired during the year, they will be moved to The Archive, a new repository of all previous AAPDs/CIBs that are no longer active. In addition, a new link, “Why & When”, is available in The Archive and contains information on the year the document was retired, and the reason.

The list of AAPD/sCIBs retired since issuance of AAPD 02-01 is attached. The list indicates the reason the AAPDs/CIBs are retired, such as expiration of stated time limits within the AAPD/CIB itself, or adoption of the requirement into the regulations or Automated Directives System (ADS). AAPDs and CIBs serving as reminders or providing up-to-date general guidance are eventually retired as "Purpose Served" but are still considered relevant.
