MEMORANDUM FOR ALL CONTRACTING OFFICERS AND NEGOTIATORS

TO: DISTRIBUTION LIST FAC

FROM: M/OP, Marcus L. Stevenson, PROCUREMENT EXECUTIVE

SUBJECT: Revisions to AIDAR Payment Provisions - Section 732.402 under Subpart 732.4 Advance Payments and clause 752.7003 "Documentation for Payment".

This Contract Information Bulletin supersedes AIDAR 732.402 and the Documentation for Payment clause at 752.7003. The AIDAR is being revised to implement these changes (AIDAR Notice 98-3, not yet issued). Contracting Officers shall begin using these revisions immediately.

I. AIDAR Subpart 732.4 Advance Payments, Section 732.402:

The revised language for AIDAR 732.402 contains the circumstances and authority under which the Contracting Officer may authorize advances to for-profit organizations who are implementing Grants Under Contracts (GUC) activities under their contracts. This authority applies only to approving advances and does not obviate the approval requirements in CIB 94-23 "Grants Under USAID Contracts" or subsequent implementation of this CIB in ADS Chapter 302. The revised section is in Attachment A.

II. AIDAR Clause 752.7003 Documentation for Payment:

The Documentation for Payment clause has been revised to reflect reengineering changes that have occurred over the past few years, such as NMS, terminology, use of CLINs, etc. The changes to the clause are in the clause prescription and paragraph (a), but the entire clause is provided in Attachment B for your convenience.

NOTE: Billing for subcontract costs under contracts for other than small businesses -

Contracting officers and negotiators are reminded that the FAR clause that applies to payments under cost plus fixed-fee contracts is at 52.216-7, "Allowable Cost and Payment". This clause is very clear regarding when different types of costs may be reimbursed [see FAR 52.216-7(b)]; for other than small businesses, the circumstances under which costs that have not been actually paid may be reimbursed are limited, basically, to in-house costs. Therefore, any language added to a contract that allows other than a small business contractor to be reimbursed for purchases or subcontract costs that will be paid in the "ordinary course of business", or otherwise changes the terms of this FAR clause, requires a deviation. The same is true of FAR 52.232-7 "Payments Under Time-and-Materials and Labor-Hour Contracts (Feb. 1997)" , the appropriate payment clause for USAID IQCs contracts. Contracting Officers should be aware that M/OP/P envisions few situations that would justify such a deviation particularly in view of the revision to the AIDAR's; coverage of advance payments for GUCs), and anticipates that M/OP/P comments, as required by AIDAR 701.470, are not likely to be favorable towards such deviations.

In addition to the requirement for a deviation, a prime contractor receiving a payment for a subcontract cost not yet paid by the prime to the sub may constitute an advance payment and be subject to the statutory requirements of FAR 32.4 and AIDAR 732.4.

Any questions regarding this CIB should be addressed to Diane Howard at 202-712-0206 or internet at "dhoward@usaid.gov".
