IV. RESPONSIBILITIES OF THE PARTIES

a. OPM Responsibilities
   - Provide implementation guidelines and technical assistance;
   - Review agency agreements in a timely manner;
   - Provide guidance on how the agency shall submit data on number of Pathways Programs projected hires and participants hired;
   - Publicize information to potential applicants on eligibility requirements and how to apply to the Pathways Programs;
   - Provide the agency with a vehicle to publicize hiring under the Pathways authority; and
   - Centrally manage the Presidential Management Fellows Program in accordance with 5 CFR 362 Subpart D.

In addition, OPM retains exclusive authority to:
   - Establish and maintain an oversight program;
   - Establish caps on the number of individuals who may be hired under the Pathways Programs or noncompetitively converted from the Pathways Programs to a position in the competitive service; and
   - Revoke an agency’s authority to use the Pathways Programs.

b. USAID Responsibilities
   - AGENCY PROGRAMS: The Pathways Programs for USAID consist of the following:
      - The USAID Internship Program
      - The USAID Recent Graduates Program
      - The Presidential Management Fellows (PMF) Program

DELEGATIONS OF AUTHORITY: The Office of Human Capital and Talent Management (HCTM) is responsible for the establishment of an Agency-wide policy for the three Pathways Programs: The USAID Internship Program, The USAID Recent Graduates Program, and The Presidential Management Fellows (PMF) Program. As its designee, Human Capital and Talent Management, External Outreach and Strategic Recruitment Office (HCTM/XOSR) is responsible for the implementation and administration of USAID’s three Pathways Programs.

   - PROGRAM EXTENSIONS for the USAID Recent Graduates Program and the Presidential Management Fellows (PMF) Program:
     Appointments for the Recent Graduates Program are for one year and for the PMF Program, two years. USAID acknowledges that special or unusual circumstances, defined by USAID as “life changing events,” may seldom occur, which impact Recent Graduates or PMFs from completing their programs within the one-year or the two-year timeframe respectively. Requests to extend the appointment of a Recent Graduate must be submitted to the Pathways Programs Officer, Human Capital and Talent Management, External Outreach and Strategic Marketing (HCTM/XOSR). Requests to extend the appointment of a PMF must be submitted to the PMF Coordinator, Human Capital and Talent Management, External Outreach and Strategic Recruitment (HCTM/XOSR).

USAID may authorize an extension of a Recent Graduate or PMF appointment up to an additional 120 days. Under no circumstances can a Recent Graduate or PMF exceed the end date of their program by more than 120 days. Written justifications for extensions must be submitted to the appropriate contact prior to the expiration of the
appointment. The written justification is normally submitted by the immediate supervisor and contains at a minimum the following:

- Reason for requesting an extension;
- Proposed timeline for program completion.

The consideration for extensions may include life changing events related to an extreme medical situation, death, divorce, birth of a child or a unique educational opportunity. The following supporting documentation must be attached to the written justification:

- The Recent Graduate’s or PMF’s resume
- The respective job description
- Supporting documentation that validates the life altering event

**FORMAL TRAINING AND DEVELOPMENT:**

For all three Pathways programs, formal training and development plans and implementation of these plans are mandatory requirements. USAID will abide by the rules of each program in conjunction with the Agency’s mandate on the creation, implementation and completion of robust individual formal training plans which are of quality and relevant to the essential competencies required to successfully perform and grow professionally. The specifics entail:

- Interns without not to exceed (NTE) dates; Recent Graduates; and PMFs will cooperatively create development plans with their respective supervisors which outlines the development and training needs of the individual. Managers for the Intern and Recent Graduates Programs will use a tool entitled Individual Learning and Training Plan (ILTP). Please note managers do not have to create an ILTP with Interns who have a NTE date of less than 90 days. For example, summer interns, who typically work 10-12 weeks, do not receive ILTPs. However, managers are strongly encouraged to create development plans for those Interns with a NTE date of over 90 days to ensure that a development opportunity is not missed. Managers for the PMF Program will use a tool entitled Individual Development Plan (IDP) to outline the development and training needs of each PMF Fellow.

- Specific Program Requirements that must be included in the ILTP or IDP:
  - Internship - no additional requirement specified
  - Recent Graduates – 40 hours of interactive training per year
  - PMF – 80 hours of interactive training per year plus one development assignment of 4 to 6 months within the two-year timeframe for program completion

- The creation of the ILTP or IDP plans must be completed within a specific timeframe for each program:
  - Internship – 45 days
  - Recent Graduates – 45 days
  - Presidential Management Fellows – 45 days

- USAID will commit to the program requirements by ensuring that each Recent Graduate and Presidential Management Fellow has identified and selected a mentor within 90 days of date of hire
  - Mentors must be at the managerial level outside of the Recent Graduate’s or Presidential Management Fellow’s chain of command
