INSTRUCTIONS
Operating Unit Context Statement (OUCS)

The Operating Unit (OU) Context Statement documents the context within which the OU staff attempted to achieve their objectives during the performance appraisal cycle. Each OU is to prepare one OUCS.

The OU Principal Officer or designated representative completes all boxes and the Principal Officer signs the form.

Section 1 – Operating Unit Information

1. **OU Name/Location:** Bureau, Post, or Independent Office, e.g. USAID/Freedonia, Bureau for Management.

2. **Performance Appraisal Cycle:** Enter the year (YYYY) for which this context applies. If the Operating Unit Context covers April 2018 through March 2019, the Performance Appraisal Cycle is 2019.

3. a. **Total Number of Staff:** Include the total number of all OU positions approved under the staffing plan.
   b. **# FSO:** Indicate the number of filled Foreign Service Officer (FSO) positions as of the date the OUCS is signed.
   c. **# FSN:** Indicate the number of filled Foreign Service National (FSN) positions as of the date the OUCS is signed.
   d. **# FSL:** Indicate the number of filled Foreign Service Limited (FSL) positions as of the date the OUCS is signed.
   e. **# CS:** Indicate the number of filled Civil Service (CS) positions as of the date the OUCS is signed.
   f. **# PSCs:** Indicate the number of filled Personal Services Contractor (PSC) positions as of the date the OUCS is signed.
   g. **# Other:** Indicate the number of other filled full-time staff positions (institutional contractors, fellows, etc.) as of the date the OUCS is signed.

4. **Current FY OYB:** Indicate the approved Operating Year Budget for the current fiscal year.

5. **Current FY OE:** Indicate the approved Operating Expense Budget for the current fiscal year.

6. **# and Type of OU sub-units:** Indicate the number and type (office, center, division, etc.) of sub-organizational units within the OU.

Section 2 – Operating Unit Context

Describe the programmatic and organizational context in which the Foreign Service Officers in the Operating Unit worked to achieve the OU’s goals and objectives during the performance appraisal cycle. At a minimum, this should include 1) **Country/AID/W Context** - the organizational setting and any unique features or challenges of the setting; 2) **USAID Program Priorities** - foreign policy and program/operational priorities; and 3) **Functions** - key functions and/or programs managed (e.g., services provided, scope of service if serving more than one country, portfolio size, projects or initiatives managed, acquisition and assistance instruments and/or physical assets managed). All information provided should apply to the entire Operating Unit and should not be specific to only one or a sub-set of offices within the Operating Unit. (Approximately 600 word limit)

Section 3: OPTIONAL Sub-OU Narrative for Offices/Centers within Aid/W Bureaus and Country

This section is optional and may be used to supplement Section 2 by describing key elements of the context of one or more organizational sub-unit(s) within the OU where FSOs/FSLs are working. This may include key functions, challenges, strategic priorities, programs and/or resources of the subunit. This narrative should not be applicable to the overall Operating Unit which is covered in Section 2. (Approximately 300 word limit total for all sub-OU units)

Section 4 – Principal Officer Signature

The Principal Officer signs and dates to confirm the accuracy of the Operating Unit Context.
