FROM: Debbie Jackson, Supervisory Executive Officer 
SUBJECT: Vacant Position: USAID/Mali OFM Accounting Technician
TO: All Malian Citizens and Local Residents at the time of application.

OPEN PERIOD: **Monday, December 15, 2014 to Friday, January 2, 2015**
(5:00 pm Bamako time)

GRADE LEVEL: **FSN PSC-8 (FCFA 7,724,440 to FCFA 11,972,872)**
(If an applicant does not meet all required qualifications for the position and is selected for the position, he/she may be hired at a lower grade than the position classification grade).

NUMBER OF POSITION: **One (1) Vacancy**

The U.S. Agency for International Development is seeking one individual as Accounting Technician for its Financial Management Office.

Basic Function of Position

This is a non-supervisory Accounting Technician position in the Controller's Office. The position has primary responsibility to maintain, review, analyze and record obligations, commitments and disbursements of the USAID/Mali operating expense (O.E.) activities. The incumbent is called on to provide expert accounting and funding advice to the Controller, Supervisory Financial Analyst, Supervisory Accountant and Voucher Examiners.

The incumbent manages and plays a primary role in developing the USAID/Mali annual and out-year operating expense budgets using computer based tools. He maintains a sophisticated computer application (EXCEL-based) to provide real-time status of funds recording and reporting of accounting activity internally and to USAID/Washington.

Major Duties and Responsibilities

H/she prepares and defends operating expense budget data for submission of the annual report and incremental funding from USAID/W. Using complex analytical tools, prepares estimates for execution-year and out-year budget requirements. Prepares standardized schedules for submission to USAID/Washington. Provides monthly OE Budget updates to the Controller and Mission Management.

Reviews procurement/grant requests and instruments (purchase requests, trip requests, etc.) to determine funding source and confirm funds availability in the Phoenix Financial Management System, and desktop based computer tracking system. Monitors operating expenses Representational Expenses to ensure maintenance of the account within ceilings.

Develops and records on a quarterly basis the accrued expenditures for Mission operating expense activities.

Performs a quarterly 1311 reviews (status of obligations/commitments) to ensure validity of obligations and commitment reservations.

Based on analysis of funding status, prepares journal vouchers for funding adjustments (upward/downward, de-obligation, de-reservation) and enters same in Phoenix upon approval.

Develops and maintains multiple computer software programs to facilitate and conduct computation of OE budgetary data.

Computes the annual ICASS cost distribution for operating expense activities, determines recovery costs for reimbursable charges and prepares appropriate documents to support entry to the Phoenix.

Maintains the USAID General Ledger on Non-Expendable Property for property in excess of \$25,000 and prepares reports for annual submission to USAID/W.

Maintains current files for commitment reservations and obligations.

Prepares and periodically runs, Phoenix standard and customized reports on operating expenses.

Minimum Qualifications: To be considered for this position, applicants must meet the minimum qualifications.

1. Malian citizens or local residents at the time of application;
2. Completion of secondary school and a recognized technical school in accounting or its equivalent is required. Additional formal training in payment verification procedures, accounting, auditing and/or bookkeeping is desired. Formal training on computerized financial applications is desirable.
3. Two years' experience in banking and finance with emphasis on budget analysis or accounting is required. One year of experience with an International Development Organization with progressively increased experience in accounting is desirable.
4. Level III proficiency in both written and spoken English and French is required. Incumbent must be able to explain complex reconciling problems to the Controller and routine communication with project/activity managers in English.

Selection Factors: To be considered for this position, applicants must meet the minimum qualifications noted above. For applicants meeting the minimum qualifications, further consideration and selection will be based on panel assessment of the selection factors listed below.

Applicants are required to address each of the selection criteria on a separate sheet describing specifically and accurately what experience, training, education, and/or awards or recognition they have received relevant to each criteria described below, and any related considerations. Be sure to include your name and the position title.
