Employees of the contractor working under this contract and requiring access to classified national security information and/or to areas under the control of USAID deemed restricted space by the USAID’s Office of Security must have been subject to an appropriate level background investigation by the Office of Personnel Management (OPM). OPM must issue an Interim or Final security clearance for each such employee before USAID will grant him or her unescorted access to USAID’s restricted space(s) or permit him or her access to classified national security information.

The contractor’s Facility Security Officer (FSO) must forward a valid Visit Authorization Letter (VAL) identifying their representatives/employees and the required security clearance information to the USAID Office of Security via e-mail: SECDomestic@usaid.gov. A JPAS (JCAVS) Person Summary Sheet must be included with the VAL.

All contractors must comply with Homeland Security Presidential Directive – 12 before a building access badge is issued. Employees must physically present two identity source documents, one of which must be a state or Federal issued photo identification (ID). The process begins with the local Bureau AMS Officer who will aid the contractor in becoming enrolled in the identification process. The Office of Security will issue Ronald Reagan Building (RRB) facility passes to individual contractor representative/employees upon completion of the identity proofing process and receipt of the Visit Authorization Letter. The contractor must ensure that any passes issued are returned upon termination of employment or completion of the contract, whichever occurs first.
