Subject: Amendment 1 - Request for Quotations (RFQ) No. SOL-263-15-000010

The purpose of Amendment 1; is to provide the following Question and Answer:

Question 1: Ramadan will start on June 18, 2015 and the Iftar Feast will be (o/a) July 19-23, 2015. There is no problem working in Ramadan but the second part of Ramadan, it is expected that most of the stakeholders will not be able to meet with us and the week from July 19-23 will be off. It is better to start work on Sunday May 24, 2015 to finish the field work before the middle of Ramadan.

Answer: The field work should be planned when it makes the most sense as per the implementation plan, before or after Ramadan.

Thanks for your cooperation.

Sincerely,
