**The boundaries and names used on this map do not imply official endorsement or acceptance by the U.S. Government.**

- Icons on the map do not necessarily indicate sustained access to areas and may indicate, for example, single distributions of relief supplies. Humanitarian access to areas controlled by GoRF forces and de facto authorities is extremely limited, especially in areas that have come under the control of GoRF forces since the February 24 invasion.

- The map represents USG-supported programs as of 08/05/22.

- Pre-2022 Invasion Response - Ongoing humanitarian programs that were operational prior to February 24, 2022
- Post-2022 Invasion Response - Humanitarian programs responding to needs resulting from the February 24, 2022, GoRF invasion of Ukraine.
