7200AA21LE00006-00		CSM-STAND Award 2 is an LWA that will provide USAID field Missions in Asia, Europe, Eurasia, Latin America and the Caribbean regions with support in developing new activities that strengthen local civil society and media organizations and advance USAID Mission objectives. The Leader component of the award will identify, compile, analyze, and disseminate best practices and lessons learned from across these regions, to inform and strengthen USAID civil society and media programming under the award and more generally.	9/9/21	9/8/26	PACT
7200AA21LE00004-00	Civil Society and Media-Strengthened Together and Advancing in New Directions	CSM-STAND is an LWA that wil provide USAID field Missions with support in developing new Mission-based activities that strengthen local civil society and media organizations and advance USAID Mission objectives. The Leader component of the award will identify, compile, analyze, and disseminate best practices and lessons learned to inform and strengthen USAID civil society and media programming under the award and more generally.	9/1/21	8/31/26	PACT
7200AA21LE00002-00	Community Reintegration Support Program (CRSP)	The proposed activity would support U.S. foreign policy objectives related to the fallout from the ongoing conflicts in Syria and Iraq. USAID will focus solely on technical assistance to and capacity-building of different entities, and other interventions that would support the overall ability of the entities who engage on different components of the successful repatriation of families from Iraq and Syria without directly assisting those populations. Though priorities may shift over time, GCERF will initially focus on providing general technical assistance and capacity-building support to entities that engage in the following categories of activities: Reintegration programming; Increasing resilience and positive social connections and capital in communities; Providing psycho-social support, including on mental well-being, enhancing moral, spiritual, and ethical values in line with contextually specific norms; Promoting forgiveness to self and others and reducing the risk of social exclusion; and Economic empowerment.	2/8/21	2/7/26	GCERF, FONDS MONDIAL POUR L'ENGAGEMENT DE LA COMMUNAUTE ET LA RESILIENCE

Innovate on interventions that enhance rural households' ability to acquire, protect, and effectively manage productive assets & effectively engage in markets.	7/15/19	7/14/25	DAVIS CAMPUS/NEWS SERVICE
7200AA19LE00002-00		USAID's Effective Partnering and Procurement Reform (EPPR) process, launched as part of the Agency's Transformation, has sought to identify concrete opportunities for working with, and investing in, a broader cross-section of development actors, being more responsive to partners' ideas, and leveraging better the large amount of private development assistance into which the Agency has little visibility. This Annual Program Statement (APS) for the New Partnerships Initiative (NPI): Conflict-Prevention and Recovery Program (CPRP) is a result of that effort and hopes to serve as a springboard for specific needs USAID can help address.	11/1/19	10/31/24	AGA KHAN FOUNDATION U.S.A.
7200AA19LE00005-00	Feed the Future Innovation Lab Crop Improvement	The Feed the Future Innovation Lab for Crop Improvement will be a five-year Leader with Associates (LWA) Cooperative Agreement, awarded to a U.S. university to develop a global portfolio of crop improvement research-for-development activities. The Feed the Future Innovation Lab for Crop Improvement will support the successful U.S. university Applicant to act as the ME of the Crop Improvement Innovation Lab. In this capacity, the Awardee's primary responsibility will be to develop, select, and manage a portfolio of crop improvement research and capacity-development activities. The Leader Award is intended to support ME costs associated with managing and implementing the portfolio of Crop Improvement Innovation Lab activities, with a majority of Leader Award funds to be allocated to sub-awarded (or sub-contracted) research and capacity development activities. These sub-awards must include a mix of competitively procured activities and commissioned (i.e. non-competed) activities.	9/25/19	9/24/24	OFFICE OF SPONSORED PROGRAMS
