III. EVALUATION AND SELECTION FACTORS

The Government may award a contract without discussions with offerors in accordance with FAR 52.215-1. The CO reserves the right at any point in the evaluation process to establish a competitive range of offerors with whom negotiations will be conducted pursuant to FAR 15.306(c). In accordance with FAR 52.215-1, if the CO determines that the number of offers that would otherwise be in the competitive range exceeds the number at which an efficient competition can be conducted, the CO may limit the number of offerors in the competitive range to the greatest number that will permit an efficient competition among the most highly rated offers. The FAR provisions referenced above are available at https://www.acquisition.gov/browse/index/far.

Therefore, the TEC may conduct interviews with all offerors in the competitive range and provide the final rating and ranking of the offerors based on the interview and the written test which will be administered to assess technical knowledge and writing skills. The CO will consider findings from the reference checks as part of the responsibility determination.
