### 1. Statutory Authorities Directing or Authorizing Agency Regulation of AI Applications

List and describe any statutes that direct or authorize your agency to issue regulations specifically on the development and use of AI applications.

<table>
<thead>
<tr>
<th>Statute</th>
<th>Brief Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>USAID does not fall under any statutes that direct or authorize us to regulate AI.</td>
<td></td>
</tr>
</tbody>
</table>

### 2. Active Collections of AI-Related Information

List and describe any of your agency's collections of information approved by OMB under the Paperwork Reduction Act that relate directly to the design, development, deployment, and operation of AI applications in the private sector, including if there are any statutory or regulatory restrictions on the use or sharing of this information.

<table>
<thead>
<tr>
<th>Title/OMB Control Number</th>
<th>Brief Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>USAID has not collected information related to the design, development, deployment, or application of AI applications in the private sector.</td>
<td></td>
</tr>
</tbody>
</table>

### 3. AI Use Case Priorities

Informed by stakeholder engagement, list and describe AI applications that are within your agency's regulatory authorities.

<table>
<thead>
<tr>
<th>AI use case</th>
<th>Brief Description</th>
</tr>
</thead>
<tbody>
<tr>
<td>USAID is not aware of any stakeholder AI Use Cases and</td>
<td></td>
</tr>
</tbody>
</table>
4. **AI Regulatory Barriers.** Informed by stakeholder engagement, list and describe existing processes, policies, or regulations that inhibit development or commercialization of AI applications within your agency's authority.

<table>
<thead>
<tr>
<th>Process, policy, or regulation</th>
<th>Brief description</th>
</tr>
</thead>
<tbody>
<tr>
<td>USAID is not aware of any regulatory barriers within our agency authority.</td>
<td></td>
</tr>
</tbody>
</table>

5. **Planned Regulatory Actions Concerning AI Applications.** List and describe any planned or considered regulatory actions and provide, to the extent possible, information about the agency's consideration of the principles and approaches described in OMB Memorandum M-21-06.

<table>
<thead>
<tr>
<th>Regulatory Action</th>
<th>Brief description</th>
</tr>
</thead>
<tbody>
<tr>
<td>USAID is not currently planning any regulatory actions concerning AI.</td>
<td></td>
</tr>
</tbody>
</table>
