USAID MOROCCO PHOTO CONTEST FOR PROGRAM PARTICIPANTS

Have you participated in a USAID activity in Morocco? Did you take any photos of your experience? Help us tell a visual story of how USAID and our partners are working together to improve the lives of all Moroccans.

USAID Morocco is pleased to announce a photo contest for program participants. USAID will select the winning photo(s) in June to be featured on our social media accounts and USAID/Morocco website. See below for specific photo specifications, caption requirements, and disclaimers.

We are looking for photos that depict your experience in a USAID program. These can be photos you took during your participation in an activity or photos that show how your life has been impacted. We particularly encourage photo submissions related to climate change, inclusion (including women, youth, and persons with disabilities), education, economic growth, and participatory governance in action.
